Tim Vaughn (right)
Chairman of Republican
Party of Gregg County

Some of Tim's goals:

- To reach the younger generations with information that will help them use their vote wisely.
- To reach Hispanics with the message that their priorities of family, freedom and opportunity coincide with Tim's party.
- To support good local candidates, not ideological resolutions.

Next Week: Chairman of Democratic Party of Gregg County

Mobility Bash 2014 was a great success, and we expect to have net figures for the Business Meeting on 23 October. In the meantime, "THANK YOU", to the committee members and straight-out volunteers who made the annual event so great.

(Of course, it wouldn't be an AMBUC event if something didn't come-up missing. So, contact Dick Allen if you know where the table skirt is that was on the bar.)

Everyone Welcome

Doug Fouse announced that the Annual Scholarship Meeting is scheduled for Monday, October 20th, 6PM, at World HQ.

Be there if you're on the committee, **OR** if you'd just like to see how we pick the many recipients for our scholarships.

Bob Graham showed us a \$10,000 check from the Texas Rangers, made out to **The Miracle League!**

Danny Lee announced that it's Annual Branding Contest time, and that we need to bring in five new members before the end of November. Now's the time to ask someone to visit a meeting ...just like someone asked you.

PROBABLE

District VI Meeting at World HQ, on 14 November, at 6:30 PM. More info in the coming weeks.

Steve Rogers reported that we gave away two AMTRYKES at the Mobility Bash, and that he'll be asking for funds to take 10 more kids off the National Wish List, as soon as the net figures are in from the Mobility Bash.

Big Hat President **Dick Allen** reported that there's a social in the near future, and he'll get the information out soon.

We're taking a break from ramp building this weekend, but we could use a couple more guys to help set-up the tent for the Annual Buddy Walk. Meet for breakfast on **Saturday, at 7AM** at the Butcher Shop.

Chuck O'Neal is collecting license plates and aluminum cans (rinsed and crushed) for the Scholarship Fund. Bring 'em to Chuck, at a meeting, or leave them inside World HQ....let Chuck know you've put them there!

AMBUCS are everywhere!

You'll find them in Cahoots. They can't go there alone. You have to be in Cahoots with someone.

You'll find them in Cognito. But you won't be able to recognize them there.

You'll find them in Sane. They can't fly there; they have to be driven there.

You could find them in Conclusions, but you have to jump there, and many AMBUCS are not big on physical activity anymore.

You'll find some AMBUCS in Doubt. That's a sad place to go, and you should try not to visit there too often.

You'll find many AMBUCS in Flexible, but hopefully only when it's very important to stand firm.

Sometimes you'll find AMBUCS in Capable. Sadly, they get there more often as they get older.

One favorite place of AMBUCS is in Suspense! It really gets the adrenalin flowing and pumps up the old heart! Many AMBUCS need all the stimulus they can get!

You'll find some AMBUCS in Continent. Age keeps them from remembering where that is, but they say it's damp there most of the time.

Life is short. Smile while you still have your teeth.
