-Joe Knox wore White after Labor Day and then tried to defend his decision to do so!

-Mike Bishop and our on V.I.P. President are going to watch a Rangers game tonight and pick up a \$10,000 check for the Miracle League!

-Tommy Knight reported that our Annual Golf tournament is on record setting pace with a total of 1-Team registered!-Awesome work guys.! For real, sign a team up, it's scheduled for October 16th.

-Robert McCown would rather attend Neil McCoy's concert than our annual Mobility Bash.

-There will be No lunch meeting on December 24th nor December 31st, so DON'T show up.

-The reason John Durst brought a guest today was to get rid of the Banana. It was given to one of our newer members, Michael Gatz.

-Did I mention that our President is a V.I.P. that is attending a Rangers game tonight???

Today's meeting was lead by our V.I.P. President Mr. Allen

Lizza, who is now known for buying hotel rooms for random women named Patty (who supposedly has some connection to AMBUCS like the National President or something.) Hey, at least she sent you a "Thank You" card!

MOBILITY BASH

-Paul said: "GET YOUR TICKETS SOLD!"

-Tim Hood is doing an awesome job with the Silent Auction Items.

-Billy -HULA- Hagenbucher rambled on for about 20 minutes on the details regarding the Mobility Bash. Just show up to the meeting tonight at World Headquarters 5:30pm.....I was extremely distracted because of this:

Disturbing..... I know..... The part I can't figure out is, did Billy already have this outfit in his closet, or did he go buy one from the party store? My money is on his closet!

David Ware was inducted today into our club. David is from East Texas and works with Imagine Sign Works. They handle all kinds of signage and even do vehicle wrapping.

This picture is disturbing as well for one reason!!!

A better picture of David and our V.I.P. president....

SHOULDERS TOGETHER!!!!

The Teacher says to the class:
Who ever stands up is stupid
Nobody stands up

Teacher: I said who ever stands up is STUPID!

Little Johnny stands up

Teacher: Johnny, do you really think that you are stupid?

Little Johnny: No Mrs, I just thought that maybe you are lonely being the only one standing.

Teacher: Who answers my next question, can go home. One boy throws his bag out the window.

Teacher: Who just threw that?

Boy: Me and I'm going home now.

When NASA first started sending up astronauts, they quickly discovered that ballpoint pens would not work in zero gravity. To combat the problem, NASA scientists spent a decade and \$12 billion to develop a pen that writes in zero gravity, upside down, underwater, on almost any surface including glass and at temperatures ranging from below freezing to 300 C. The Russians used a pencil.
