20th at World Headquarters.
5:30pm start time.

-January statements go out next week. Pay your dues fool!

-Durst is upset with Rose because of his "organized chaos"; that only Randy knew the rhyme or reason to.... Good Job Randy Rose, you are missed sir!

-Another \$21,000 went toward AmTrykes.!

-Steve Rodgers reported that we have delivered about 50 AmTrykes during Allen's Term already! Awesome job guys!

-Get Well Al Bingham and Don LeMay! Hope the picture below makes you feel a little better. I know it made me feel better!

-The Speakers today were Dr. Mark Miller and Dr. Van Patterson from the University of Texas at Tyler/Longview. They were very insightful and spoke on several topics, but one topic stuck out most:(They Still Have 50 Acres.) These 2 gentlemen were distinguished colleagues of our very own Jack Miller, and I am certain of the fact that there is no need for enemies when you have AMBUCS for friends, because they will throw you under a bus in a millisecond!!!
