### Ramps

Billy reported that they repaired a ramp last Saturday that needed a better gripping surface on the plywood. They also repaired a couple of handrails of ramps we had built in the past. On the 17th, we will be building a 60 foot ramp for a veteran in Gladewater. We really do need some help on this one. Be at Butcher Shop for BF, than on to HQ's to load up materials.

### Birthdays & Health News

Tommy Knight turns 54 on the 10th. Harold Barth turns 74 on the 12th. Dave Dean had a cardiac event, where his heart stopped beating for 12 minutes. His wife Karen and daughter Trish are by his side. He is in serious condition, and was placed in a medically induced coma. This morning, they began heating up Dean's body, and he responded well to commands and communicated with his family. He appears to be recovering now, but has a long road ahead.

### Amtrykes

Steve Rogers reported that an Amtryke needs to be delivered to Bagota, TX. Also, a large AmTryke needs assembling and delivery to Houston. Billy H. mentioned that the Ambucs club in Woodard, OK has a car show to raise funds, and that during the event, they learned of a veteran there that needs an Amtryke delivered in League City. We are looking for volunteers to deliver these trykes.

Kathryn reminded us that the least congested time of day to vote is during the middle of the day, and that voting before work or after work will have much longer wait times. She also said that parking is difficult at the courthouse, due to construction.

Mrs. Nealy introduced the new Facebook page called **Gregg County Votes**, and also their website **GreggCountyVotes.Com**
