Today's Speaker

-Julee Rachels

CEO and Founder of Heartisans
Marketplace - DT Longview

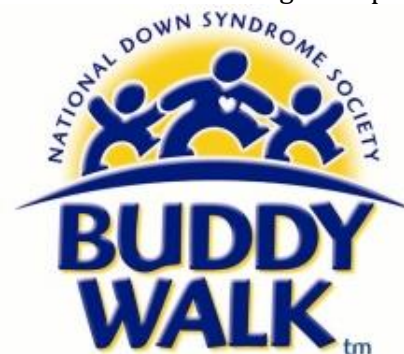

Julee has been in Longview since 1979 and is married to Darrell Rachels, Director of Manufacturing at Eastman. Julee has also worked at Eastman and owned several businesses over the last 30 years. Heartisans Marketplace has been open for 4 years and sells a multitude of products made in-house. The proceeds are used to fund the real purpose behind the business with job training for women who are going through very difficult times. The store is an ACT Career Ready Site among a number of other services which provide certifications and training. Her mission and story were truly inspiring and heart felt given the progress and new beginning afforded to getting women out of truly tough circumstances and poverty. This synopsis truly doesn't do her mission any justice so please stop by the store sometime to purchase an item or two and help out the cause!!

Ramps

Kevin said the ramp build this past Saturday took less time than the trip out there!

October 13th is the Buddy Walk and Kevin needs two guys to haul the enclosed trailers to Tyler where we will have AmTrykes on display and will construct a ramp on site. More volunteers will be needed to assist

with the tent and other activities. Please reach out to Kevin if you are available and willing to help!!!
