We also need help setting up Saturday morning @ 8am and tearing down at 3pm. RAIN OR SHINE @ LAKE GLADEWATER.

### RAMPS

We have a 4-box ramp build on the 29<sup>th</sup> in Hallsville. Meet at World Headquarters 7am that morning, and this one will be a quickie!

### Scholarships

Tommy Knight will be visiting with the Panola OTA and Kilgore PTA students on Tuesday and Thursday next week to share

our mission and handout scholarship applications.

### Trykes

Steve Rogers is getting geared up for our holiday tryke giveaway initiative. If you are traveling during the holidays please get with Steve to look at the wishlist map and be one of Santa's Little Elves this year!

How many Ambucs does it take to get Angel on a tryke? The answer is FIVE! We surprised Angel(to the right) with his very own Amtryke @ New Diana Middle School. Way to go, Men! SHOULDERS TOGETHER!

### Ambuc of the Day

Today we learned a bit more about one of our newest members, Mr. Shawn Ingram! Shawn and his wife have lived in Longview for 3 years after being in McKinney for over 20 years, and he said they love East Texas! He is the proud owner of Grips N Garments

where they can do all your embroidery, screenprinting, signs, banners, and now even custom firearm grips! They adopted their son last year, and Shawn's wife works at Pine Tree Elementary. For those that don't know, Shawn donated the custom pistol with the Ambucs logo on the grips for the Mobility Bash's live auction. It sure was a beauty!

Downtown live is **NOT** happening tomorrow night. It will be next Friday, the 28<sup>th</sup>!
