ANNOUNCEMENTS

Ramps

Per Garza, we have a ramp build in Gilmer this Saturday if we can get enough hands. Feet are optional. Call Garza at 832-878-8673 if you can make it.

Amtrykes

Steve reported that Larry Day recently delivered 2 amtrykes to kids in the DFW area. The first was to an 11 year old young lady, Makinna, in Edgewood. The second was to a 3 year old little girl, Harper, near the SMU campus.

Cowboy Pot Winners

Winners for this week were Roy Campbell, Michael Garza, Chapin Miller, & Brad & Charlotte Hendon.

Steve Newcomb

Steve spoke with us today about the value of human life & how we treat others.

Christmas Events

On December 20th we will have our traditional white elephant gift exchange. Don't miss out on the fun this year.

Big Hat

John Durst reported that we'll have a meeting next week.

Christmas Parade

Robert Lee said that the parade was a success. The delay didn't hurt too bad, only had 10-15 floats that didn't make it in. The crowd participation was much better than if we'd proceeded in the rain. If you have any suggestions

on how to make the parade better, let him know so that he can add to his notes for next year's parade. Also, he is collecting the safety vests, if you still have one make sure you get it to him.

Bass Tournament

Ray Bostick is looking for committee members to help out. He wanted 6-8, and got 8 to sign up. He'll take more if you'd like to participate. The 1st committee meeting will take place on January 3rd.

Jack Miller

Jack came in to visit as he promised that he'd do before he left to move to Mississippi. He gave us a report about all the things he's been doing with 8 Days of Hope. He is now teaching a class regarding chainsaw safety to his fellow volunteers. Of course, he's still active when a need arises to go 24-72 hours after an event for disaster relief.
