AmTrykes

Steve spoke about the Space City 13 AmTryke giveaways in Houston on January 11 & 12th. He also said that next Thursday, the trailer with the new graphics will be available for viewing at our luncheon. Steve needs some help this Saturday morning at HQ's to move some AmTrykes into this trailer.

Fishing Tournament Planning

Steve Bostick is asking for help tonight to plan the bass fishing tournament. Meet tonight at HQ's at 6pm or thereabouts.

Ambuc of The Day

Seth Pyle was the Ambuc of the day. He talked of his career with the City of Longview, where he started at 16. While working for the city, he met a young lady at a public swimming pool in Longview who later became his wife. She now works at Christus Good Shepherd in the Intensive Care Unit, having previously worked at Regional in their ICU. They have been married 9 years. Seth said that he joined our club after being invited by Ray Bostick, who were both members of a now defunct

Ambucs chapter. Mr. Pyle is Director of Recreation.

Regional Conference

Billy Hagenbucher mentioned the upcoming regional conference will be June 6 - 8 in Rockwall, Texas. He said that you can arrive early on Thursday evening for boat rides and socializing on the lake. The outgoing Regional director, Sue Haywood, will be at this conference. Training will be available for Ambucs officers, i.e., President, VP, and Secretary Treasurer, etc. Billy announced that he will be sworn in as the new Regional Director in October at a ceremony in Pennsylvania. Congratulations, Billy. Our club is proud of you.
