### Houston AmyTryke Event

Steve Rogers spoke to the club about the great success of this year's trip to Houston. The

gentlemen pictured above joined other organizations including the Shriners in providing AmTrykes to a number of kids and young adults whom had been waiting for the special day. Thirteen AmTrykes were hauled down to Houston and Steve informed the group that our team assembled an additional thirteen Trykes at the event. Variety Club presented our chapter with a check for \$10,000 which we could not be more grateful for and covered the cost of the Trykes brought with the guys. I've included a hyperlink below to the video shown at today's meeting. The young lady in the video is just one of the countless reasons we're all in this together.
